Brushed cotton lends itself to exceptional cosiness and comfort with breathable properties for an effortless night's sleep. The brushing of the cotton gives it a raised, fluffy texture that traps air particles, thus improving the insulation of the fabric. This provides a soft and temperate feel so you'll never find yourself climbing into cold sheets. Gentle on the skin, the warming touch of brushed cotton fabric will keep you wonderfully snug during the cold winter months. It's faster, smarter, and clearer - Welcome to the new Trolley experience!
